My Yacht Monaco is a three-day yacht hospitality venture created by Nicholas Frankl. Hope Gainer of Hope International enhances this luxury event with fine wines, champagne and art. This year she invited artist Faren Butt to create a mountainscape painting to donate to HSH Prince Albert II of Monaco for his foundation. Hope also brought Chateau d'Esclans with the finest rose wines from Cote d'Provence, 24 karat gold infused Luxor Brut and Icelandic Glacial water. Ultimate Magazine was a media partner. The weekend kicked off with a Friday night soiree attended by Prince Albert and numerous high profile guests from around the world aboard the 44 meter award winning Feadship owned by Michael Saylor. Fisker & Spyker displayed vehicles at the entrance. On Saturday and Sunday a more intimate group of VIPs boarded megayacht Snowbird to view the F1 GP races while enjoying a gourmet lunch and liquid libations. Asprey showcased fine jewelry all weekend to the uber audiences aboard both yachts.
